

## TRUSTEES MEETING

### RUTH STREET RESIDENTS ASK CHANGE IN NAME OF STREET

The board assembled at 8:30 p. m. Dec. 5, all members present. The minutes of the last regular meeting were read and approved.

M. D. Learned and others appeared before the meeting and presented a petition asking that the board of trustees order a special election to be held in the territory described in the petition, to determine whether said territory should be annexed to the city of Glendale. The petition was read and the chairman called upon Mrs. Nettie Ellsperman, who, being duly sworn, testified that she had secured 19 of the signatures to the petition, and that all are qualified voters and residents of the territory described, and that all were made familiar with the purpose of the petition which they signed. Mrs. Emma L. Asbury testified that she had secured 11 of the signatures attached to the petition, all being signatures of residents of the territory described and citizens of the same and made fully aware of the contents and purport of the petition. On motion of Trustee Shaw the petition was referred to the city clerk to check up the names upon the Great Register of the county and to certify as to their sufficiency.

A communication was read from Miss Hazel Maxson requesting that a certain street light be installed on West Palmer Avenue. Accompanying the communication was a note from the manager of the public service department stating that the cost for the installation of the said light would be about \$35, and also stating that in view of the approaching purchase of this system by the city it would probably be necessary for the public service department to set the lamp. On motion of Trustee Shaw, the same was referred to the committee of the whole.

A communication was read from J. A. Endicott, street assessment and bond specialist, giving a list of references in regard to his work and making application for employment by the city when any such work is required. The communication was ordered to be filed.

A petition was read, signed by 32 residents of Ruth Street, asking that the name of that street be changed to Palm Drive. On motion of Trustee Henry, it was ordered that the request be complied with and the change be embodied in an ordinance changing the names of certain streets.

An application was received from J. M. Hunter for a permit to operate a motor car, and the same being approved by the city manager, was, on motion of Trustee Henry, ordered to be granted.

A communication was read from J. P. Lukens and E. V. Lukens, calling attention to the fact that property taken for the widening of Broadway had been assed to them, and requesting a readjustment of the matter. On motion of Trustee Shaw it was reported to the city treasurer for investigation and report.

A communication was read from F. D. Lanterman, chairman of the local exemption board, calling the attention of the board to certain telephone bills, which in his belief had been presented to that board in error and referring the matter back to the board of trustees. The same was referred to the city manager to report as to the amount, etc.

## EMERGENCY HOSPITAL CLOSED

The last patient in the Glendale emergency hospital, which the city established in fire station number two, at Brand Boulevard and Los Felix Road, was removed Thursday night, the nurse dismissed and the hospital closed. The rooms are being thoroughly fumigated today and made ready for use by the Red Cross branch, which will hold its annual meeting there Tuesday evening, December 10, and elect officers.

## EVENING NEWS NOT ILL

Last evening and this morning city papers announced that A. T. Cowan, editor of the Evening News, was ill and therefore a libel suit in which he is defendant was postponed to January 30. The reporters were in error in making such a statement. It is the complainant who is reported as being ill and his attorney asked that the case be deferred to January 30.

## MEET ON FIRING LINE

### HAROLD FREEMAN, DOUGLAS BALTHIS AND STANLEY GORMAN COME TOGETHER

Mrs. Richardson D. White of this city has received a long and most appreciative letter from her soldier son, Private Harold H. Freeman, written from the fighting front October 25, just as he was about to be relieved and sent back for rest. While much of the substance of his letter is of a personal nature and addressed to her alone, it contains some other matters of interest to all Glendale and especially the mothers of the Glendale boys he mentions. She generously grants permission for these portions to be published, as follows:

He is in the Seventh Field Artillery, Battery C, First Division, and has felt justifiable pride in having been a part of a regiment which has made "an immortal name" for itself. Somewhere on the Fighting Front, Oct. 25, 1918.

My Dearest Mother: This is a rare opportunity that has befallen me—paper, pen, ink, envelopes and all the other requisites handy—and I am almost feverish with desire of getting this letter started and plunging into the numerous subjects which I have been longing to write you about.

You will note by the above heading that I am at the front. Expect to be relieved tomorrow. It will surely be a great day of relief to get behind the lines for a bit of rest. In all my previous letters to you I have affected disappointment because my regiment was not getting more fighting and excitement at the front. But never again! I have witnessed or rather participated in enough fighting to last me for days to come, and having sort of "done my bit," I am more than willing to retire behind the lines and give the other fellow a crack at the fleeing boche.

Can you ever in this world guess who I ran into last week? It chanced that I was intently sizing up a rather large batch of Hun prisoners fresh from the battle which was then raging at the front, when I was suddenly aroused from my thoughts by a voice which yelled out: "Why! Hello, there, Hardy!" Naturally I almost jumped out of my socks, but, nevertheless, quick as a flash I turned in the direction of the voice. There (can you beat it?) was no other than Doug Balthis, armed to the teeth and acting as both guard and escort to the prisoners. With him was Stanley Gorman, whom I was a moment later very happy to be introduced to. Of course we had a fine, long talk which I will tell you about in a later letter. Both boys were looking simply splendid, although like myself they were literally weighted down with the mud which we were then contending with.

Later in the day I had the pleasure of meeting Frank Littell, who, as you probably are aware, is a corporal. Frank looked as handsome and spick and span as ever, it being worthy of notice that he was one of the very few individuals on that day who could boast a fresh shave and a clean face. Good old Frank! He couldn't resist from his old-time "kidding," and it did my heart an infinite amount of good to be told by him what a soldierly looking little cuss I was. Well, if dirt and badly ripped O. D.'s testify the soldier, I guess Frank was not far wrong.

## BELGIUM ASSERTS RIGHTS

In a recent official statement the Belgian legation at Washington announces that it will no longer be satisfied with a "guaranteed neutrality," but desires "complete independence." This little country, which has suffered so terribly from the war and to which the world owes so much because of its gallant and successful effort to delay the Hun hosts in their first mad westward rush for the conquest of the world, is fully justified in feeling that it is entitled to complete political, economic and military independence without any sort of neutralization such as fettered its freedom before the war. Such status would entirely free Belgium from any foreign control and would afford her the right to make whatever arrangements for defense might be deemed necessary.

Surely adequate provision will be made in the final peace settlement for the realization of these reasonable aspirations of the gallant Belgian people.

At a meeting of the executive committee of the Glendale Red Cross chapter held Thursday afternoon at headquarters, the truck committee, consisting of Messrs. White, Rowley and Cowan, was authorized to purchase a truck for the use of the salvage department, from the Ford agency in this city.

## OPPOSES LEAGUE OF NATIONS

### SENATOR LEWIS WARNS THE PRESIDENT OF CUNNINGLY SET SNARES WHILE IN EUROPE

(Special Service to Glendale Evening News)  
Washington, Dec. 6.—Senator Lewis, Democratic whip in the Senate, addressing that body today, warned the President to avoid cunningly set snares while in Europe. He said that most great wars had grown out of agreements between former allies, and that he will not ignore "this prospect even as between ourselves and those we now call allies." He said the trouble with the League of Nations is that if one party receives favorable consideration, others will ask reciprocity in matters affecting them.

## BERLIN CALLED UPON TO PAY

### BILL FOR EXPENSES OF ARMY OF OCCUPATION SAID TO HAVE BEEN FORWARDED BY FRANCE

(Special Service to Glendale Evening News)  
London, Dec. 6.—The Central News Amsterdam correspondent today declared that the French Armistice Commission had forwarded a demand to Berlin for payment of the expenses of the Allied armies of occupation incurred thus far.

The demand included \$13,500,000 for the American army, \$10,000,000 for the British, and smaller sums for other forces.

A Copenhagen dispatch quoted a Berlin newspaper as publishing an alleged American wireless dispatch declaring the Allies planned the provisional occupation of Berlin. The same dispatch also quoted a Heidelberg source as saying that the Workmen's and Soldiers' Committee has announced that the French probably will occupy Heidelberg and Mannheim, because a watchman at Mannheim killed three Frenchmen.

The British government today named Lord Cecil to direct the British policy toward a league of nations at the peace conference.

## TENTATIVE PREPARATIONS FOR WAR

### CHILE TO ASK ENGLAND FOR RETURN OF TWO DREADNAUGHTS—PERUVIAN MINISTRY RESIGNS

(Special Service to Glendale Evening News)  
Santiago, Chile, Dec. 6.—The war ministry today suggested that the government ask England to return to Chile two dreadnaughts which England requisitioned at the beginning of the war.

The people here are preparing a big pro-Colombia demonstration.

Lima, Peru, Dec. 6.—The Peruvian cabinet has resigned and Anselmo Barreto has been asked to form a new ministry. The Bolivian consul has taken over Peruvian interests in Chile.

## SECRETS OF GERMAN PROPAGANDA BARED

### A. BRUCE BIELASKI TESTIFIES BEFORE SENATE COMMITTEE AS TO HALE'S CONNECTIONS

(Special Service to Glendale Evening News)  
Washington, Dec. 6.—A. Bruce Bielaski, head of the bureau of investigation of the department of justice, today testified before the Senate committee of investigation of alien propaganda, that William Baird Hale, an employee of William R. Hearst, was also employed as "confidential agent" of the German embassy.

He said that letters and cablegrams taken from among Count Von Bernstorff's records showed that Hale was under a contract to the German embassy, which expired June 23, 1918, and his salary was \$15,000 annually.

Bielaski read a cablegram from Bernstorff sent to Berlin complaining that "Hale says and Hearst confirms, that the World, on account of Wiegand, gets the important interviews. I urge that Hale get the preference, as Hearst since the beginning has placed himself outspokenly on our side."

The reference to "the World" is to the "New York World," and the "Wiegand" mentioned is Karl Von Wiegand, war correspondent.

Bielaski declared that Dr. Dernberg had told a meeting of propagandists in New York that he was considering hiring that "sane fellow-journalist, McClure."

Bielaski said that Hale not only was to be the head of the German news service, but that he was to attempt to influence President Wilson towards Germany.

## SAMMIES THREE MILES FROM RHINE

## SIX BILLION REVENUE BILL BEFORE SENATE

(Special Service to Glendale Evening News)  
Washington, Dec. 6.—The Senate finance committee today reported out the six billion dollar revenue bill. Republican members immediately started to delay its consideration.

Paris, Dec. 6.—An authoritative source here today said that the United States supports the concerted allied demand for the extradition of the kaiser.

## THEIR FAVORITE SONG

### BOYS OF 143RD FIELD ARTILLERY SING "I LOVE YOU, CALIFORNIA," STANDING

Mrs. Dora Gibson has received letters from her son, Corporal Gibson, written after the armistice was signed and voicing his satisfaction in the end of the war. He says now the boys can't get home too soon to suit them.

He is in the 143rd Artillery, which passed through Glendale last summer on its return to Camp Kearny. At the time he wrote it was at Bordeaux, but was expecting to be moved soon. It has been used as a depot assignment to train men to be sent forward as needed. The men have been in barracks, but when moved expect they will again be billeted in stables and lofts in the villages they pass through.

In response to his mother's inquiries as to what are the popular war songs now, he says: "When they were in America their songs were all about 'over there.' Now they are all of home. The favorite of the 143rd is 'I Love You, California,' and they sing it standing at attention as they would the 'Star-Spangled Banner.'"

## CHRISTMAS ROLL CALL DRIVE

Mrs. George Whitaker, chairman, and Miss Coral Griffith, vice chairman, of the Christmas Red Cross Roll Drive, accompanied by Mrs. H. E. Bartlett, chairman of the Glendale chapter, and by Mrs. Hartley Shaw, director, attended the all-day Christmas Roll conference at the Alexandria in Los Angeles yesterday. R. B. Hale, secretary of the Pacific Coast campaign committee, was the principal speaker. Luncheon was served at noon and was followed by an afternoon program in which an address was made by a returned soldier, Private Smith of the Canadian Highlanders, who told of the work of the Red Cross in France. Brief addresses were also made by Edward D. Lyman, chairman of the Los Angeles chapter; Harry M. Haldeman, chairman of Los Angeles committee, and Edward H. Brown, secretary of the Pacific Coast Division.

This drive, which is for the purpose of securing an hundred per cent membership in the Red Cross, will be on from the 16th to the 23rd of December. As in previous drives, Glendale will be districted and captains are now being selected who will be called together early next week to receive their instructions for the drive.

## VICTORY DANCE

Miss Edith Lindsay and dancing pupils entertained Saturday afternoon, Nov. 30, with a "Victory Matinee Dance." Although a postponed event, it proved to be a great success. It was given in the Knights of Pythias hall before a large and appreciative audience.

The regular class work preceding the matinee was greatly enjoyed. Many of the dances met with applause. The grace work and the bar work were enthusiastically received, bringing forth the realization of the benefit and the necessity of the exercises. The program which followed was most interesting.

Sarah Chandler and Barbara Blech repeated their successful "Russian dance." Lois Naudain, Espana; Dorothy Woods, A Trojan Maiden; Jean Oliver, an Egyptian dance. Peggy Rosegrant varied the program in her representation of Belgium by singing "Belgian Rose" and by her splendid reading, "An American in Europe." Little Georgia French was charming in a costume of red, white and blue, and executed a difficult "patriotic" interpretation, representing England. Tarantelle (Italian) was splendidly given by Margaret Brown, Charlotte Winsel, Sarah Chandler, Kathleen Woods, Dorothy Woods and Marcella Webb. Miss Lindsay presented for the first time her newest creation, "On to Victory," representing France, which met with hearty approval. The number given by Georgia French was also Miss Lindsay's composition. An ensemble number by the class, led by Barbara Chandler, closed the program, costumed in their original flag dresses, representing our own United States, from which they went into the grand march, participated in by all, during which attractive favors were distributed.

Miss Lindsay intends repeating these matinees quite often during the season, the next one to be a "Christmas Matinee" with a number of surprises. Visitors are welcome to all classes.

Peter Ferry, who is carrying out a contract for extensive grading work in the Santa Maria oil fields, came home to spend Thanksgiving and remained for several days, going back Thursday morning.

## DEBATING CONTESTS

### REORGANIZATION OF SOUTHWEST DEBATING ASSOCIATION TO BE EFFECTED

An effort is being made by the Southwest Debating Association to salvage some part of its original program for the year. On the eve of the influenza ban arrangements had been made for reorganization on a strong basis with a membership which included the leading high schools of Southern California in which debating has been a feature, and Frank Balthis of Glendale Union High had been made president. A meeting of reorganization had been called. Then the epidemic made it necessary to postpone the conference. It is now to take place Saturday morning at U. S. C. Law College, on First and Broadway, at 10 o'clock, when it is expected the representatives of a number of schools not heretofore identified with the organization will be present. The association will include the teams of Hollywood High, Manual Arts, Polytechnic High, Citrus Union, Monrovia, and probably some others. At this Saturday meeting each school is entitled to one delegate from its faculty and one from its debating organization. Professor W. D. Root will be the faculty representative, and Frank Balthis, president of the association, the other Glendale representative. It is hoped that a series of debates can be arranged.

## COLORADO P. T. A.

The members of the Colorado Parent-Teachers' Association rejoiced Thursday in the fact that they were able to meet as usual and again take up this most important work. The philanthropy committee's report showed they had not been idle during the Thanksgiving weeks, as several families were aided; the high school was given credit for several baskets of "good things," which helped in a splendid way. The committee is already planning how they can best serve the needy at the Yuletide.

Mrs. Thomson asked for volunteers for the conservation work for Tuesdays, Thursdays and Fridays. They have moved from their old stand to 134 North Brand. Any one who will volunteer to help on these days will be greatly appreciated.

It was decided that the mothers will entertain the children on the last day of school before the Christmas vacation, in the afternoon, with something interesting to the little folk, including light refreshments. Mrs. Braun, Mrs. Barker, Miss Waite and our president, Mrs. Cline, were appointed as a committee to look after same.

After the transaction of business our superintendent, Richardson D. White, gave a brief talk about some of his experiences and the future school work.

Following this we listened to a few numbers on the graphophone before adjourning. Then there was a social chat and a hearty greeting from all sides.

## EARLY TOURIST SEASON

Mrs. L. M. Border of 217 North Louise Street has returned to Glendale after spending several months in the east, in Miami, Fla.; in North-western Iowa and in Chicago, Ill. She was in the city last named at the time the armistice was signed and witnessed the big, spontaneous jubilation of the great town. She reports that influenza was very bad there and a great many people are coming west to find improved climatic conditions to help them to throw off the effects of the epidemic. Her cousin, who is a railroad man, told her the California tourist season is opening much earlier than usual, and the train on which she came home was full. She is very glad to get back and is more than ever certain that she prefers California to the east.

## GAME SCHEDULES

A movement is on to revive the game schedules between Southern California high schools. At a recent meeting of the Central League, held at South Pasadena, Glendale High was represented by Coach Hayhurst and by Russell Tummel, and the question of arranging a schedule of football and basket ball games was discussed. It was decided that, in spite of the ban still remaining on football in the city schools, this need not prevent the league from going ahead with a football schedule and after the first of March taking up a basket ball schedule. Glendale's football team has made an excellent record and it expects to make a fine showing in that line.

On motion of Trustee Shaw the city clerk was ordered to advertise for bids for a one-ton motor truck for the use of the street department.

The manager of the public service department reported that the government has withdrawn its objection to certain work in the way of extension in the public service department.

FAMILY OF THREE desires small furnished house. Tel. Gl. 170-W. 801f

THE gift that will be a constant reminder of the giver through many labor-lightened years is The Hoover Electric Suction Sweeper.

It exemplifies the spirit of Useful Giving which is more than ever the spirit of 1918. It is a present of many, many hours of time which otherwise would be consumed in back-breaking efforts to keep the home clean.

It is the gift of an ever-clean home—of rugs and carpets kept bright and pretty as when new.

It is the gift of many dollars which otherwise would be spent for cleaning rugs, furniture, mattresses, draperies, etc.

It is the gift of better health. It avoids run-down constitutions. It keeps home as pure and clean as a sanitarium.

The Hoover has a soft hair brush which is revolved over 1,000 times a minute by the electric motor. This beating-Sweeping Brush beats and thoroughly sweeps carpetings while powerful suction dustlessly withdraws the dislodged dirt. No other cleaner has this feature. That is why only the Hoover is GUARANTEED to get ALL the dirt—as a beating will prove.

The Hoover will also greatly prolong the life of your floor coverings.

cently returned from Indiana, where  
they were called by the death of Mr.

## HOUSE WARMING

MRS. LOUISE PURNELL OPENS  
HER BEAUTIFUL NEW HOME  
ON RIVERALE DRIVE

Friends of Mrs. Louise Purnell  
were entertained Thursday evening  
at a delightful house-warming, at  
which her charming new home on  
Riverdale Drive was thrown open so-  
cially for the first time. Seventy-  
seven guests were present to enjoy  
her hospitality, the majority being  
members of the Grand Army or of  
the Woman's Relief Corps.

While quite informal, several en-  
tertainers furnished a charming pro-  
gram. Mrs. Eustace B. Moore con-  
tributed several delightful readings,  
Mrs. Phoebe Marlenee and her sis-  
ter, Miss Dorothy Armstrong, gave  
violin and piano selections; Rev. J.  
H. Henry sang; Samuel Parker gave  
a talk in which he reviewed his ac-  
quaintance with Abraham Lincoln;  
followed by the recitation of an ori-  
ginal poem, and Comrade George San-  
ford also recited an original poem  
written in answer to Edwin Mark-  
ham's "Man With the Hoe," Com-  
rade Sanford's composition being en-  
titled "The Man Without the Hoe." Com-  
rades Martin and Howell of  
Bartlett-Logan Post, Los Angeles,  
made short addresses, and Mrs. Win-  
ona Crawford gave much appreciated  
piano numbers.

The Purnell home was beautifully  
decorated with chrysanthemums and  
elaborate refreshments were served  
by the hostess at the close of the  
evening. It was one of the largest  
and most important social functions  
which has taken place this winter.

MRS. WOODBERRY PROLONGS  
HER VISIT

Mrs. G. B. Woodberry of South  
Glendale Avenue is still the guest of  
her daughter, Miss Anna Woodberry,  
at Nogales, Arizona, where she is  
teaching Spanish in the high school.  
When Mrs. Woodberry was about to  
return to Glendale the influenza ban  
closed the schools and she remained  
to keep her daughter company dur-  
ing the enforced vacation. The  
schools have now reopened there and  
Mr. Woodberry is looking for the re-  
turn of his wife in the near future  
and is also hoping that his daughter  
will be able to spend Christmas here  
with them. Nogales, which is on the  
Mexican border, is the chief port of  
entry for Arizona, and the United  
States custom house is there. It is a  
place where a good deal of smuggling  
is attempted and where things are  
lively sometimes.

DEATH OF MRS. VANDER WAALS

Mrs. Frances L. Vander Waals,  
wife of James Vander Waals of Grand  
Rapids, Mich., died Wednesday af-  
ternoon, Dec. 4, at 4:30, at the  
emergency hospital, Brand Boule-  
vard and Los Feliz Road, Glendale,  
after three weeks' illness of influen-  
za. The deceased was 39 years and  
nine months old. She came to Glen-  
dale from Grand Rapids a year and a  
half ago with a sister, Mrs. C. J.  
Kline, and her husband, to care for  
Mrs. Kline, who was an invalid and  
who passed away a few months ago.  
Mrs. Vander Waals is survived by  
two sisters who live in Glendale and  
two in the east. Her husband is a  
prominent member of the Elks' Lodge  
of Grand Rapids, Mich., and she be-  
longed to the Ladies' Elk Lodge of  
the same city, the only one in exist-  
ence.

Funeral services, in charge of the  
Pulliam Undertaking Company, were  
held Friday afternoon at the Little  
Church of the Flowers in Forest  
Lawn Memorial Park, where inter-  
ment was made.

## SAD MEMORIES

When your back is broke and your  
eye is blurred,  
And your shin-bones knock and your  
tongue is furled,  
And your tonsils squeak and your  
hair gets dry,  
And you're dog-gone sure you're go-  
ing to die,  
But you're scared you won't and  
afraid you will:  
Just drag into bed and have your  
chill,  
And pray the Lord to see you  
through—  
For you've got the flu, boy,  
You've got the flu!

When your toes curl up and your belt  
goes flat,  
And you're twice as mean as a Thom-  
as cat,

And life is a long and dismal curse,  
And your food all tastes like a hard-  
boiled hearse;

When your lattice aches and your  
head's a-buzz,  
And nothing is as it ever was,  
Here are my sad regrets to you—  
You've got the flu, boy,  
You've got the flu!

What is it like, this Spanish flu?  
Ask me, brother, for I've been thru;  
It is by misery out of despair—  
It pulls your teeth and curls your  
hair;

It thins your blood and frays your  
bones,  
And fills your craw with moans and  
groans;  
And maybe, some time, you'll get  
well.

Some call it flu, but I call it hell!

No. 1, Glendale, Cal.

## NOTICE TO CHAIRMEN OF PATRIOTISM

Chairmen of patriotism in P. T. A.  
organizations or of War Work com-  
mittees are requested to call at the  
workroom of the Glendale Red Cross  
Chapter and get allotments of work  
now on hand which can be done in  
the schools or Parent-Teachers' As-  
sociations. The chapter has a large  
allotment of hospital handkerchiefs  
which must be finished this month,  
and help from Red Cross workers in  
the schools will be appreciated. Mrs.  
Worley, chairman of the school com-  
mittee of the local organization, now  
has her headquarters in the chapter  
workroom and can give out allot-  
ments.

## COAL RESTRICTIONS REMOVED

The federal fuel administration  
has begun the removal of war-time  
restrictions on the use of coal, having  
authorized the use of all lights, ex-  
cept when generated from domestic  
sizes of anthracite coal, during the  
United War Work campaign, in order  
to facilitate the work of raising the  
\$170,000,000 needed. There has also  
been a discontinuance of the curtail-  
ment of coal consumption for the pro-  
duction of brick, cement, lime, hol-  
low tile and lumber for building pur-  
poses. This action is in harmony  
with that of the war industries board  
in removing the ban on a consid-  
erable number of non-war commodi-  
ties, including almost all kinds of  
construction and building material.

## ALIEN-ENEMY PROPERTY

While it is impossible at present to  
state just what will be the final dis-  
position of the property, amounting  
to approximately one billion dollars,  
located in this country and belonging  
to alien enemies, it seems apparent  
that the armistice will not check, for  
the present at least, the seizure and  
sale of such property wherever found  
by the enemy alien property custod-  
ian. Although the actual fighting be-  
tween the armies of the Allies and  
those of the central powers has ceased  
in Europe, the war against the ene-  
mies' insidious industrial fortifica-  
tions in this country is still going on  
and seems likely to continue until  
this danger is completely destroyed.

### SUNLAND

Miss Mitchner has resumed her work in the office of the olive packing house after an enforced vacation on account of the "flu."

Mr. Horton came home Sunday from Los Angeles, where he had been to spend Thanksgiving with his daughters.

Mrs. Branstetter has taken out the hedge on her property on Summit Avenue, which is a great improvement to the looks of the place.

Miss Ethel Adams is visiting Virginia Rowley in Glendale this week.

The Sunland cannery finished canning tomatoes this week, and a full force is at work on the olives which are being shipped here from the surrounding ranches. The olives are unusually large and good this year, and Mr. Adams expects a large output from his cannery.

Quiet reigns in the valley since school opened. The boys from Los Angeles and Glendale who were working in the olives have all taken up their school work. They were a fine bunch of boys and we miss them.

Born, to Marie and Frank Charlesworth, a daughter, Dec. 3. Mrs. Charlesworth is at the home of her parents, Mr. and Mrs. Van Bantam.

at 1342 Calumet, Los Angeles.

Mrs. Lon Johnson and sister, Mrs. Seymore, moved to Santa Ana this week.

Harry Huse, wife and daughters, of Los Angeles, were guests at the home of their uncle, George E. Huse, last Sunday.

The Misses Carrie and Lita Adams spent Thursday in Los Angeles doing their Christmas shopping.

Fred Frisbee is visiting at the home of his father-in-law, C. Harding. Mrs. Frisbee has been here for some time taking care of her aged parents.

Quite a good congregation greeted Rev. Wester last Sunday. All seemed glad to have him back. He gave a four-minute talk on conservation of food. Every one is asked to save all kinds of food because everything will be needed. Hoover says the new appeal is to the "world conscience" and not "war conscience." America must send to the armies and Allies this year 50 per cent more food than last year, three times the normal exports. The success of this program rests not alone on the honor and co-operation, but also upon the intelligence of the American people. Its success will be the highest proof of the faith and works of democracy in America. "Eat plenty wisely, without waste; protect health and strength."

The Topic of the Christian Endeavor next Sunday is "Begin Now."—2 Cor. 6: 1-10. Leader, Elmer Adams. Time, 6:30 p. m. Everybody welcome.

The cement tables being put in the park are going to be a great convenience to the crowds who picnic here. Mr. Hafflinger, who is doing the work, surely understands his business.

Everybody is getting busy putting in a winter garden.

No new cases of influenza reported in Sunland. Will Graham is rapidly recovering.

### LA CRESCENTA

The La Crescenta Woman's Club will meet at the Fairmount Hotel, the home of Mrs. F. Hanger, Wednesday, Dec. 11, at 2 p. m., promptly. This is a very important meeting—nomination and election of officers and other business awaiting approval. Every member is urged to come out.

H. S. Bissell, Miss Dorothy Anne Bissell and A. C. Bobb have gone for a ten days' camping trip in the Imperial Valley.

The Red Cross classes will meet on Thursday only, from 10 to 5. Mrs. Ayres and Mrs. Miller will be in charge and a great deal of work is laid out for the coming winter. Remember it is cold "over there" and little children and old people feel the cold first. Come, help.

Mr. and Mrs. O. G. Maxwell are entertaining Mr. Maxwell's mother from Santa Ana.

Mrs. H. A. Price was down from Temecula on Tuesday looking over her La Crescenta place.

Mr. Cazzolena has purchased the acre across the street from his residence.

Miss Wellborn spent the day with Mrs. E. G. Foy last Sunday. Her grandmother, who passed away about a week ago, will be remembered by the Oakdale people for her wonderful memory and abilities at her greatly advanced age.

Your Thrift Stamp Pledge. Only this month to finish it. Suppose you wipe it out now and have your mind clear for Christmas. When the boys come home you will be glad you did.

A bush fire that might have assumed big proportions had it gained more headway broke out Monday back of the Fairmont Hotel.

Mrs. C. A. Anderson celebrated her birthday on Thursday with a dinner to guests from Pasadena.

Picture show Tuesday night, Dec. 10. Everybody come out. It is seven weeks since we had a show. Prices just the same, 10c and 5c; no war tax. A warm auditorium and a good show, Gladys Huette in "Annexing Bill," and a dandy comedy, "Running the Germans Out of Germany." "Annexing Bill" is the story of Enid Barwell, an art student without money. Billy is in love with her. Billy is also poor, but promises to be a rising young lawyer. A ship is sunk at sea and it is reported that Enid's aunt is lost and she is notified that a million dollars awaits her, left by her aunt. Billy declares he will not marry her. Enid, very much in love with Billy, won't let a little thing like a million dollars stand between them, and makes a plan to hand over her fortune to a friend's husband who is notoriously unsuccessful in his investments. The transfer of the money is just about consummated when the aunt appears upon the scene. All is well with Billy and Enid, when it is discovered that the aunt is an imposter and that Enid is still in possession of the million dollars after all. How the tangle gets straightened out and true love comes into its own, come out Tuesday night and see. You will enjoy it. Bring the little people, too.
